

BITS AND PIECES....

Moorhead "Mike" Kennedy, Campaign Chair; Ellen Pope, MCF Vice President; Cherie Galyean, MCF Foundation Officer; Bill Dohmen, ASC President

ENDOWMENT CAMPAIGN

Our endowment campaign continues with a challenge to members. Now that we have raised the \$25,000, and Maine Community Foundation has matched it, can we broaden the giving base? If you have not yet contributed to this fund, please consider making a donation of whatever size you can afford. When we apply for future grants from other agencies, it is very important to prove that ASC has strong support from members. Every gift counts and is appreciated.

COMMITTEE NEWS

George Marcus has agreed to chair the newly created Technology Committee. The purpose of this group will be to track ASC equipment used in classes and in the office and to make recommendations on updates in equipment.

Marion Smith recently replaced Lucy Creevey as Curriculum Committee Chair. Many thanks to Lucy for serving as chair for several years.

Rita Gallon and Fran Fry are co-chairing the Membership Committee. Many thanks to Ginny Blaney who led the committee for the past two years.

HATS?

Anyone interested in a hat-making course? Or perhaps the first question should be, does anyone know how to make hats? If we can find an instructor, the students will come. Call or email the office or someone on the Curriculum Committee if you know a potential instructor.

"ART TALK": SOLLINS & SIMS

Patterson Sims will speak on: "Women in Art," Thursday, August 20, 5:00 at the Neighborhood House, Northeast Harbor. Illustrations will accompany what is certain to be a provocative commentary by Sims.

Nearly 80 people attended the lecture and film preview by Susan Sollins on July 20. This program on art, and one to be given by Patterson Sims on August 20, was funded in part by a grant from Kathryn Davis, pictured below.

Kathryn Davis and Susan Lerner enjoy remarks by Susan Sollins
