## REGISTRATION FORM INFORMATION - PLEASE READ

**Registration for spring is from Jan. 31 - Feb. 28, 2012.**

**Note that the registration form allows alternate course choices in the event that your first course choices are filled. You must be an ASC member to take courses.**

- Please fill in all personal information. Only one person per form, please. Leaving sections blank can slow the registration process.
- Your top selections for classes should be written in the “1st course,” “2nd course,” “3rd course,” and “4th course” sections. These are the unshaded lines on the form.
- If you are concerned that your requested class(es) will fill, you may choose: “alternate 1st choice,” “alternate 2nd choice,” etc. classes in the shaded sections on the form.
- Check the appropriate box below the grid, indicating the total number of courses you plan to take.
- ASC memberships run from June 1 - May 31. Please call or email the office if you are unsure of your membership status.
- Confirmation letters, with details of class sites, reading materials, and other important information, will be mailed to you after registrations close. **Registration for spring is from Jan. 31-Feb. 28, 2012.**
- Tuition: The first course is \$60. Each additional course taken in the same term is \$25. Tuition covers the cost of textbooks and course materials. (Students registering after books are ordered must purchase their own texts.)

**No course registrations will be taken over the phone or by email -- mail or drop-off only.**

**Registrations begin on opening date above. Registrations received before then will be stamped with the opening date listed above.**

### OVER-SUBSCRIBED CLASSES

- It is unusual to have an over-subscribed class on the opening day of registration, but it does happen.
- Membership in an over-subscribed class is determined by a lottery. (If your first choice course is full, you will be enrolled in your alternate choice.) To be included in any lottery for class registration, ASC office must receive your completed registration form with payment (by mail or dropped off) on or before opening day of registration.
