

“Then Me/ Now Me”

Recreate one of your favorite childhood photos. This can be done **BEFORE** our Gala Membership Party (April 28) **or AT** the party. You may bring your childhood photo along with the appropriate props and clothing to recreate it, and we will have a camera and lights set up to take the photo, and we will help you pose.

Here is an example: Peggy Forster, ASC VP, at age 10, and now!
